# **KEMIKO INDUSTRIAL PRODUCT LINE**

*FORMALLY KNOWN AS STA-CRETE*

**SERIES 47** industrial primer/finish

**SERIES 1120** high solids moisture tolerant  
barrier systems

**SERIES 1200/3500** specialty clear & pigmented  
100% solids epoxy coatings & binders

**SERIES 1229 100%** solids chemical resistance  
epoxy

**SERIES 1600/3700/3800** water extended epoxies

**SERIES 2700** water extended aliphatic polyurethane

**SERIES 2800 100%** solids novolac epoxy, heat  
resistance

**SERIES 3000** polyurea repair materials

**SERIES 3200** solvent base high solids polyaspartics

**SERIES 3300** polyaspartic 100% solids, UV stable

## **STA CRETE PRODUCT LINE**

**SERIES 1211 100%** solids coat tar epoxy

**SERIES 1300** caulking and patching epoxies

**SERIES 1500/OXYSHIELD** for aquarium tanks,  
fountains, NSF approved
